

Product Highlights

SuperSpeed USB 3.0

USB 3.0 technology allows you to transfer files up to 10 times faster than with USB 2.0, and charge your smartphones and tablets

Sync and charge your mobile devices

Easily charge and sync your mobile devices at the same time on any of the USB ports

Convenient Compact Design

Its small size allows you to slip it easily into your laptop bag or lay unobtrusively on your desktop surface

DUB-1340

4-Port SuperSpeed USB 3.0 Charger Hub

Features

Added Connectivity

- Four USB 3.0 ports
- Backward compatible with USB 2.0 and USB 1.1 devices
- Supports USB 3.0 SuperSpeed data transfer rates of up to 5 Gbps

Efficient Charging

- Four Fast Charge USB ports for high-power mobile devices such as an iPad / iPhone
- Does not require a PC to charge devices
- Battery Charging 1.2
- Charging current of up to 5 V / 2.4 A for iPads and iPhones

Easy To Use

- Plug and play
- Sleek, compact design
- Works on Windows and Mac OS PCs

D-Link's DUB-1340 4-Port SuperSpeed USB 3.0 Charger Hub provides an easy way to add four USB 3.0 ports to your notebook or desktop computer. USB 3.0 lets you reach SuperSpeed data transfer rates of 5 Gbps, while also supporting high, full, and low-speed transfer rates. In Fast Charge Mode, each of the USB ports can provide a maximum charging current of 2.4 A for iPads and iPhones, or 1.5 A for Battery Charging 1.2 compliant devices. The four USB 3.0 ports are backwards compatible, so all your devices can be plugged in. Compact with a sleek, black design, you can take it with you wherever you go.

Transfer Large Files Faster Than Ever

Use the DUB-1340 to instantaneously share files with colleagues, friends and family. The DUB-1340 can transfer data at 5 Gbps, or ten times faster than USB 2.0. SuperSpeed transfer rates make it faster than ever to transfer music, HD movies, photo albums, and other large files—making waiting for file transfers a thing of the past.

Connect and Charge More Devices

With the DUB-1340, you can conveniently add more USB 3.0 ports to any computer. Now you can connect up to 4 more USB peripheral devices, such as smart phones, tablets, external hard drives, flash drives, and printers – to your notebook or desktop computer. Use the 4-Port SuperSpeed USB 3.0 Charger Hub as a charging station to charge up to as many as four iPads or save time by transferring data from one or more flash drives at lightning speeds, all at the same time!

Compatible with All Your Devices

The DUB-1340 is backward compatible with your USB 2.0 and 1.1 devices. It features four ports; SuperSpeed, Hi-Speed, full, and low-speed USB transfers are supported, ensuring your older devices are still relevant. The DUB-1340 supports previous USB standard devices, while providing USB 3.0 high speed transfers to your newer devices, making the DUB-1340 an ideal portable USB hub for home and office use.

DUB-1340 4-Port SuperSpeed USB 3.0 Charger Hub

Super Simple and Convenient

Simply plug in the DUB-1340 to any Mac or PC. It's that easy - no drivers or software installation required. Featuring sync-n-go, the DUB-1340 lets your computer quickly recognize the hub so you can immediately get up to four additional USB devices running in no time.

Take it with You Anywhere

The DUB-1340 is designed to fit into any notebook bag, as its compact size lets you bring it anywhere with you. Experience the freedom and convenience of portability and versatility with the DUB-1340 4-Port SuperSpeed USB 3.0 Charger Hub.
