

Adorning the scene, day and night - The spherical light in a granite visual design stands apart with its appealing light distribution. To achieve the optimum effect, we recommend a dimmable LED lamp. The light shines diffusely from within through the translucent parts of the sphere and creates a magical ambience indoors or outdoors. No matter where, you are guaranteed to stand out from the crowd with this light.

Special features

- Timeless design
- Eye-catcher
- IP65
- Fully wired with IP44 plug
- Including ground spike

Housing Material	Polyresin
Housing Color	Grey
Housing Surface	Granite look
Protection Class	Protection class II/protective insulation
max. Power	1x max. 23 W
Rated Input Voltage Frequency	220-240 V/AC 50 / 60 Hz
Socket Description	E27
Socket Quantity	1
Connection Cable Primary	Yes
Primary Connection	Power plug IP44
Primary Cable Length	3 m
Dimmable	Yes
Control technology	Dimmable via optional light source
Motion Detector	No
Execution	Without lamp
Light Exit Surfaces	1
Light characteristics	Direct
Light direction	Top, Below, Side, Rear
Height	530 mm
Diameter	560 mm
Product weight	4300 g
Working Temperature	-20 to 40 °C
Storage Temperature	-20 to 40 °C
IP Protection Class Lamp	IP 65
IP Protection Class Plug	IP 44
